Dear Parents/Guardians

Your Child would like to participate in a NJROTC Field Trip to San Diego Naval Base for Damage Control School. This field trip will go on March Thursday, March 18, 2010. The bus will leave from Corona High School at 7:30 AM and return the same day on or around 4:00 PM. Cadets will wear their summer uniform and should bring a jacket for possible cool weather. All cadets who attend need to also bring \$5.00 for lunch.

Cadets who wish to attend this field trip need to have this Parent Permission form printed out and signed by a parent or guardian. All cadets also need teacher permission slips signed off by each class and cadets will miss their 1st through 6th period. NJROTC maintains standards of a 2.0 or higher at Corona High School in order to attend any field trip.

If you have any questions, please feel free to contact either instructor at the phone number noted above.

All parents, guardians, and family members are always welcome to participate and/or chaperone in any and all NRJTOC functions.

I give my child permission to attend the Damage Control School going to San Diego Naval Base held on 18 March 2010. I also understand that my child needs to be passing all their classes and have a 2.0 GPA or higher at Corona High School. Parent and teacher permission slips are required to be turned in 1 week prior to any event.
